

Mayor's Report December 8, 2025

Parade and Christmas Tree lighting was very successful the improvements to traffic control helped this year, will look at moving the event next year from Saturday evening to Friday night event and considering some tweaks to parade route. Thank you to all involved in planning and attending the event, special thanks to Sherry Segna and Carol Winkle for the coordination of the Parade and to Our Lady of Mt. Carmel Catholic Church.

Log Cabin update: The move is scheduled for next week with most probable date of the 18<sup>th</sup> with preparation work going on earlier that week, we have our sign offs from utilities and Dingey Movers will have the ODOT sign off, it's an exciting time, we will post on our FB page and website once the actual move date is confirmed.

Thank you to Council for another busy and productive year and a special Thank you to Council Woman Wadly as she leaves Council on December 31 we wish her well and she will be missed. I look forward to 2026 and the start of another 4 years for myself as Mayor and I'm sure what will turn out to be a time of growth and improvements for our Village and I look forward to working with Council.
