

## Mayor's Report February 9, 2026

On, January 19 it was necessary to close the Village Offices due to a weather event that The Licking County Sherriff placed Licking County under a level 3 Council Meeting was also canceled for that date. Union Twp. has notified us that we cannot obtain any more salt until March when they receive their next delivery, we thank Walnut Twp. for helping us out with needed salt in the last snowfall.

Terres Smith if S&f Photography is now the official photographer for the Village of Buckeye Lake , many of you are familiar with their work as they also cover the Village of Hebron, Lakewood Schools, Newark Sports and Licking Valley we look forward to working with them they have already covered Winterfest and the delivery of the new PD Golf Cart they are looking forward to being on site for the Log Cabin move and are planning on videoing the move , THANK YOU to Teresa and Ashley !

I met with Deb Dingus Director of United Way on Jan. 21 to discuss the needs in the Village and in Licking County that would benefit from United Way and how do we help the needs of the underserved.

Jan.21 first Department head meeting of 2026 to discuss how we move forward in 2026.

We continue to be in discussions with a developer on a Mill Deam Rd. property as they work through their due diligence for their project.

Winterfest was very successful with no hardships or Law enforcement issues, local businesses have reported it was the most successful Winterfest since the event started. Special thank you to Village safety forces and to the awesome job our Street and Water Department did with snow removal.

Mayor Linda Goodman
