Things to get busier everyday: Happy to report the Summer Food Program is going very well and would like to thank BLFD for coming to the park twice last week to help cool the kids off and join in on the fun! We will be scheduling more of these days this Summer!

July 3<sup>rd</sup>, there will be a Special Cookout: games, prizes, ice cream, and surprises for our Village kids to begin their 4th of July holiday. 11:00am-1:00pm, please tell your friends and neighbors!

The past two weeks have been full of planning and meetings and I attended the ribbon cutting for the Village's newest business: "Wellness Center".

Remember to mark on your calendars that Saturday June 29th is the I Walked the Whole Damn Dam Walk event to benefit our Parks and Recreation department.

July 3<sup>rd</sup>: kid's cookout, BLASST fireworks.

July 4<sup>th</sup>: Buckeye Lake Civic Association's Boat Parade @ 11:00am starting from Liebs Island.

Stay Safe and enjoy all our Lake region offers over this activity packed week!
