NUISANCE FALSE FIRE ALARMS FOR THE VILLAGE OF BUCKEYE  
LAKE, OHIO, LICKING COUNTY.**

**WHEREAS**, The Village of Buckeye Lake finds that a high incidence of Nuisance False Fire Alarms causes a significant use of emergency resources, which renders them out-of-service and unavailable to respond to other emergency situations; and,

4. As used in this section, a "false alarm" shall mean any alarm that is received by the Licking County Regional Communications Center that is not the result of an actual emergency incident for which the alarm was intended.

### **SECTION III: LEVY OF FINES AND OTHER FEES**

1. Fees and fines levied pursuant to this ordinance for excessive false alarms are due and payable on the date indicated on the service filing and will be considered delinquent if not paid by the due date provided. All delinquent fees are subject to a 1.5% monthly interest rate.

  - 2.1. The responsibility of the property owner shall not be circumvented by a subsequent transfer of the real property. Any owner whose property has been assessed for the nuisance abatement must disclose this information to any subsequent purchaser. Any and all subsequent purchasers will be liable for the nuisance abatement assessed to the property.
3. The Fire Chief shall have the authority to waive any fee or instance when evidence indicates the false alarm was beyond the Responsible Person's control or may create an undue hardship.

3. Upon receipt of a valid appeal, the Fire Chief shall have ten (10) days to review and respond to the appeal.
